### Pentecost Greetings & Accessibility Project

As we celebrate the Feast of Pentecost and begin the Fast of the Holy Apostles, we extend our heartfelt prayers and best wishes to you and your families. May the Holy Spirit continue to strengthen our parish and unite us in Christ.

To better serve parishioners with mobility challenges, our church is pursuing an accessibility project that includes a handicap-accessible exterior ramp and an interior elevator. These improvements would allow access to all levels of our facility and help ensure that every member of our church family can fully participate in worship and fellowship.

Our goal is to raise \$500,000 for this important project. We humbly ask for your prayers and support. Every gift brings us one step closer to making our church more accessible for current and future generations.
